

ABOUT US

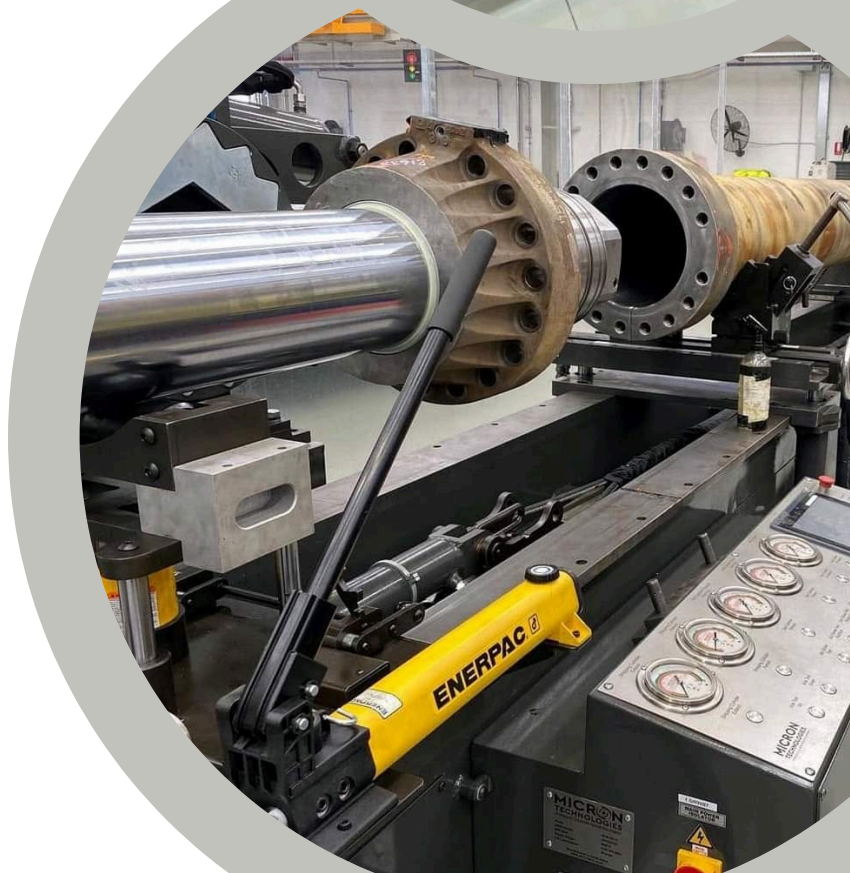

SOYSAL HYDRAULIC was founded in 1994 by Bektaş SOYSAL as a small workshop. Self confidence, trust, quality, stability and so on. With the advantages provided by the company, the company has entered the growth process in a short time. Until the beginning of the 2015s, the company, which manages manufacturing and sales processes for the domestic market, has reached the identity of the exporter since the beginning of the 2015s. Having proved itself for many years in the country, SOYSAL has become a company that exports to more than 30 countries with its high quality and reliable identity abroad.

SOYSAL's main markets with quality products and services; USA, Brazil, Ecvador, Italy, Portugal, Polond, Germany, England, France, Belgium, Sweden, Russia, Ukrania, Dubai, Kenya, Togo, Gabon, Indonesia, Vietnam, Persia, Lebanon, Australia, India, Kazakhstan, Romania and other is a lot of countries. SOYSAL also ANADOLU OSB located sales and after having 8000 m2 in the Industrial area. SOYSAL is producing hydraulic cylinders, other spare parts for Earthmoving Machinery.

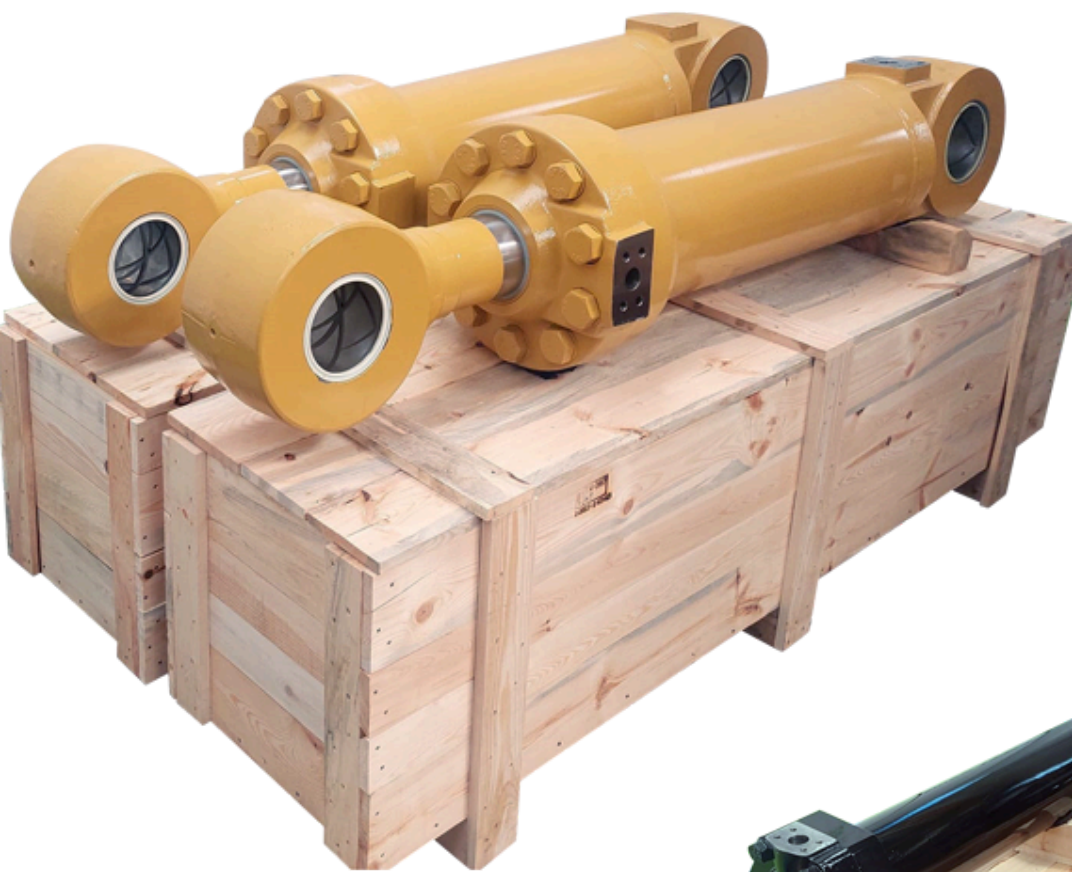

THINK BIG, EMBRACE CHANGES, DRIVE GROWTH

Leading the way in global
mining components and
services with innovative,
quality-driven hydraulic
cylinder solutions

CAT SERIES

HITACHI SERIES

STICK, BUCKET, BOOM, LEVEL AND DUMP CYLINDER FOR EXCAVATOR MODELS

ZX450, ZX470, ZX490, ZX650,
ZX670, ZX850, ZX870, ZX890,
EX1200, EX1900, EX2500, EX3600,
EX5600, EX8000 series

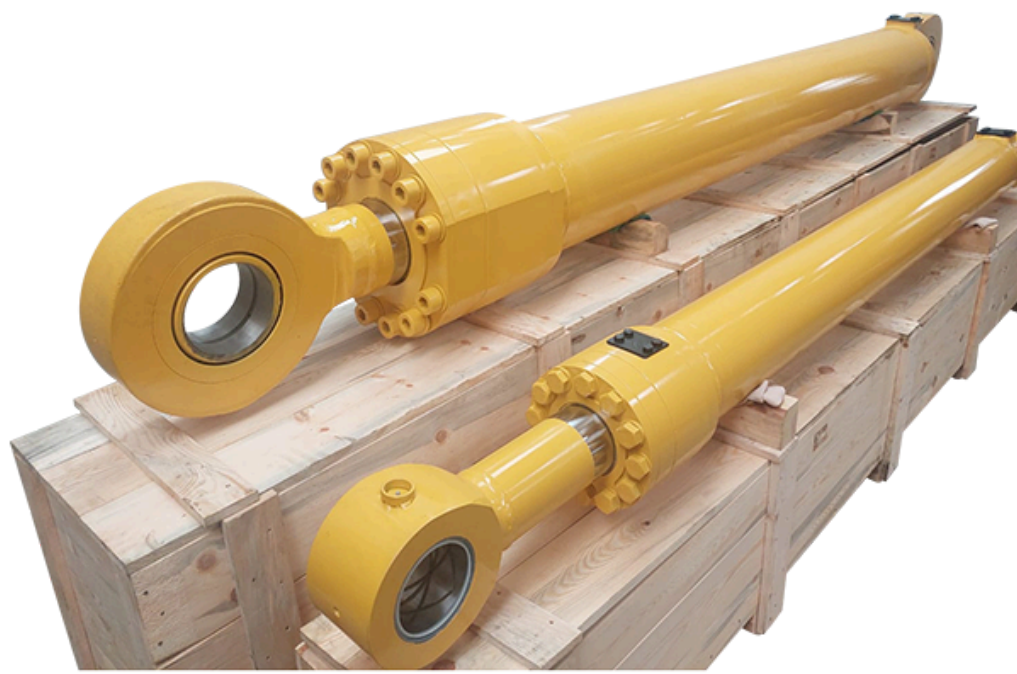

KOMATSU SERIES

STICK, BUCKET, BOOM, AND DUMP CYLINDER FOR MINING EXCAVATOR MODELS

PC400, PC450, PC600, PC650,
PC700, PC800, PC1250, PC2000,
PC3000, PC4000, PC8000

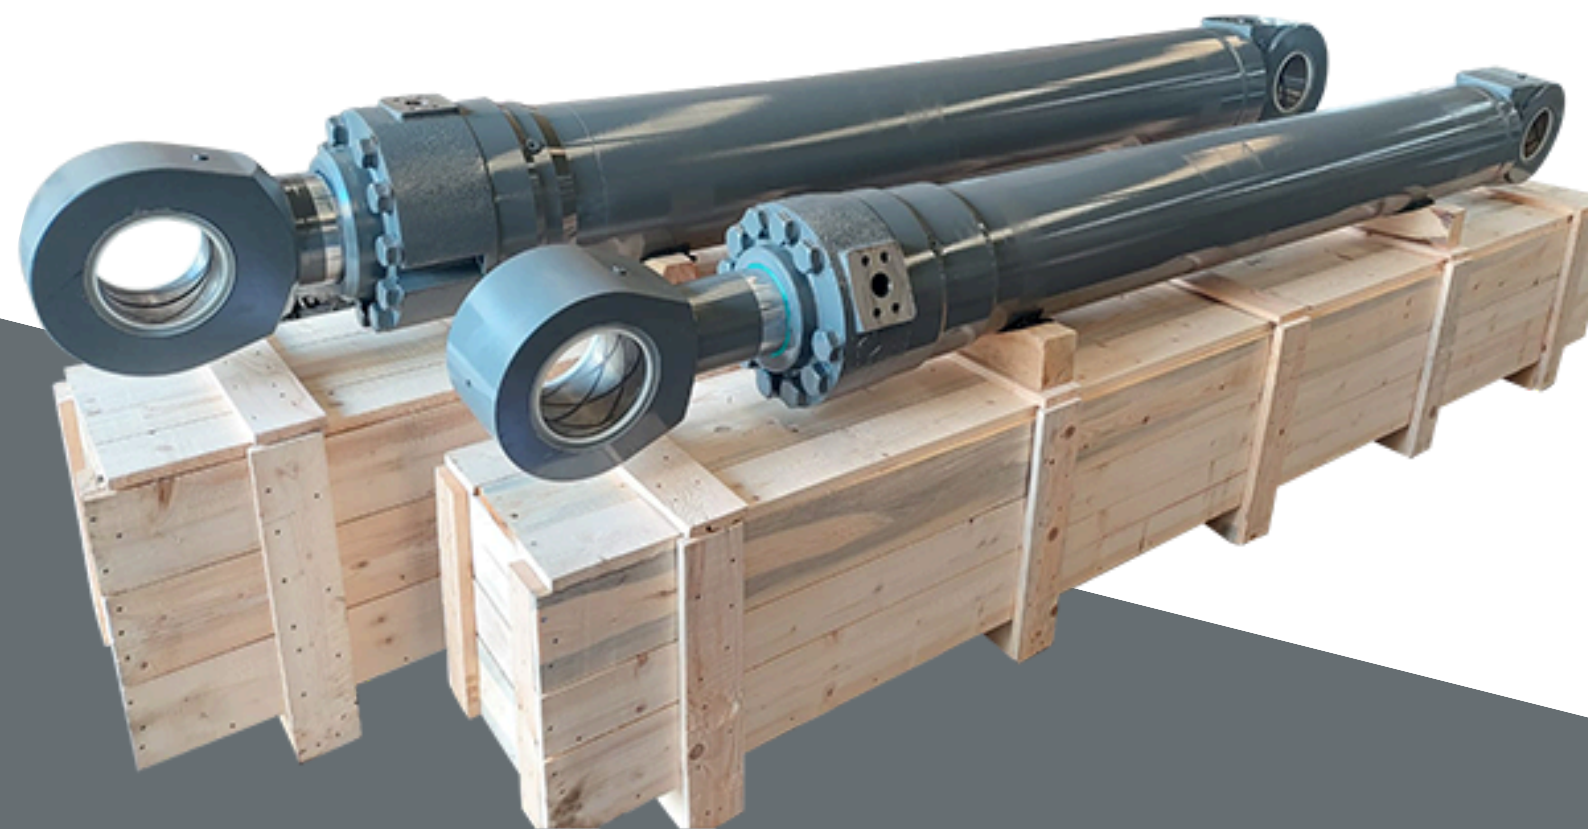

LIEBHERR SERIES

STICK, BUCKET, BOOM, AND DUMP CYLINDER FOR MINING EXCAVATOR MODELS

R934, R944, R945, R954, R974,
R976, R980, R984, R966, R9100,
